25. [ ] LIAISON Called Tom Moore, Senate Select Committee on Intelligence staff, who said Senator Gary Hart (D., Colo.) would be glad to speak to the [ ] COS Conference on 3 October but could only do so from 8:30 a.m. to 9:30 a.m. instead of 9:30 a.m. to 11:00 a.m. as we had requested. I told Moore I thought this would be satisfactory. Moore said Senator Hart had received a number of letters from constituents who worked for a major defense contractor in Colorado about new industrial security procedures involving the use of polygraph. These procedures were apparently implemented as a result of the Christopher Boyce case. Moore said Senator Hart would like a briefing on the new procedures and their effectiveness. I later informed him [ ] Acting Director of Security, would conduct the briefing and we tentatively agreed on the afternoon of 28 September.

27. [ ] THIRD AGENCY Called Cliff Fowler, GAO, to advise him that the meeting he had requested with Mr. Shackley, ADDO, and others would be delayed until a time of mutual convenience during the week of 10 October. Mr. Fowler said he understood and we agreed on 13 October at 10:00 a.m. in Mr. Shackley's office.

28. [ ] LIAISON Met with Jerome Levinson, Senate Foreign Relations Committee staff, and Forrest R. Frank, House International Relations Committee staff, to brief them on compartmented clearances for which they had recently received security approval and obtain from them appropriate security documentation.

29. [ ] LIAISON Accompanied Ed Levine, Senate Select Committee on Intelligence staff, who spoke to the Senior Seminar. His talk was very well received by the group and Mr. Levine, a former professor, [ ] the group. There were no follow-ups.
